Neighborhood Clean-Up

We hear from neighborhood residents that a clean community is important. Clean-up programs already exist in other areas, we're working to make it happen here, too.

Save the Date

What: A free community clean-up.

When: September 27 to October 1.

Where: The area between 32 to 33 Road and D Road to I-70.

How it Works:

Place your trash at the curb before 7 a.m. on Monday, September 27, 2021 for pick up.

Ways to Help:

- Ask if your neighbor needs help bringing unwanted items to the street or cleaning up their yard.
- If possible, don't park your car on the street on days of clean-up. This will make it easier for crews to pick up unwanted items.
